Form Completion Instructions

This form should be completed by the caregiver for each foster youth in the caregiver's home at every court hearing and returned to the youth's juvenile officer three (3) weeks in advance of the hearing, or within time frames established by local protocol.

Identifying Information

- Enter the name of the foster youth and date of birth
- Enter the name of the caregiver completing the form and the amount of years/months the foster youth has been in the home
- Enter the hearing date
- Include a current picture of the foster youth

Questions 1 and 2

Questions 1 and 2 provide an opportunity for the caregiver who has the daily contact with and parenting responsibility of the foster youth to present the foster youth.

Question 1 provides an opportunity to brag on the achievements and the personal attributes of the foster youth.

Question 2 provides the opportunity to provide a clear picture of the events the foster youth is involved in and interested in which provide social, community and cultural development.

Questions 3-9

Questions 3-9 are designed to provide an opportunity for you to share pertinent information that relates to the safety, well-being and permanency of the foster youth placed in your home. Not all the questions may need to be completed for each court hearing. Answer only those questions that are relevant to the foster youth's case.

Question 3

Include information about the health of the foster youth that is important to understanding the progress, concerns, and/or needed services to meet the foster youth's health needs.

Example:

James completed stress tests resulting in diagnosis of asthma and is now participating in therapy and medications to manage his asthma effectively.

Question 4

Enter information regarding the foster youth's medication that as the youth's caregiver you believe is necessary for the reader to understand any medication concerns or needs.

Example:

Sally was taking 6 medications 9 months ago and with the assistance of the pediatrician and therapist she is now taking only 2 medications and maintaining very well her moods swings and anger outbursts.

Question 5

Enter information regarding the foster youth's behavior that is important for the reader to understand the progress, or lack thereof, for safety, well-being and permanency.

Example:

Molly struggled with peer relationships creating many conflicts at school, church and in the neighborhood. Some of the conflicts at school resulted in in-school suspensions. Molly is working diligently with me on positive responses to stressful situations using the Step Charts and has had no school suspensions since the last court hearing. She has made two new friends who attend the church youth group and together they are supporting and encouraging each other to demonstrate positive and acceptable social behaviors.

Question 6

Enter information regarding the foster youth's achievements and/or challenges in the area of education to provide a clear understanding of the status the foster youth is experiencing with education including identification of success of educational services, or need of educational services.

Example:

George is struggling with respecting personal space. A new goal has been added to his IEP to address this.

Question 7

For foster youth that are 14 years of age and older, share issues that are enhancing or hindering their development of life skills to achieve independence.

Example:

Sam was hired at McDonalds to work three days a week after school. He has not missed a scheduled day and his manager has reported that he is diligent and works well with the team.

Question 8

The list of services which would meet specific needs for the foster youth's safety, well-being and permanence that the foster youth is currently not receiving.

Example:

Tom needs a therapist that specializes in play therapy. There are none within in a reasonable distance.

Question 9

Provide information to answer question 9 if there are issues effecting the safety, well-being or permanency of the foster youth directly related to the interactions the foster youth has with his/her family.

Example:

I have been supervising the visits between Sharon and her paternal grandparents. I observe that this couple could be a possible permanency option if Sharon's mother is convicted and sentenced to incarceration.

Question 10

This question provides the opportunity for you to bring any issue that the court needs to be aware of regarding the foster youth's safety, well-being, and permanency that was not covered by the previous questions.

- Print or type your name
- Sign and enter the date you are submitting the form to the foster youth's juvenile officer
